

YANKEE PUZZLE,

this block contains flying geese and half square triangles.

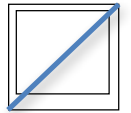

- A Light background 1 square $7 \frac{1}{4}$
 2 squares $3 \frac{7}{8}$
- B Dark (blue) 6 squares $3 \frac{7}{8}$
- C Medium (red) 2 Squares $3 \frac{7}{8}$

Using the fast flying geese method make 4 using the light back ground $7 \frac{1}{4}$ square and 4 B $3 \frac{7}{8}$ squares.

Using the 2B and 2C colors $3 \frac{7}{8}$ squares make 4 half square Triangles

Using the remaining 2 A and 2B squares make 4 Half square triangles (pinwheel)
