

Scrappy Diagonal Block

10" Unfinished - 9½" Finished

Fabric Requirements:

1 - 10" Square Muslin

1 - 2½" White Strip

Assorted scrap strips - colors and widths is your choice

Draw a line diagonally 1¼" from corner diagonally.(Fig. A)

Place a 2½" white strip right side up with the cut edge along this line as in Fig. A

Place a colored strip right side down along this line and sew ¼" from the edge. Fig. B

Press the colored strip away from the white strip. Place another colored strip on the edge of the prior colored strip, matching the raw edges. Sew ¼", press with this piece towards the corner. Continue in this manner until that half is finished. Make sure all the edges of the muslin is covered with fabric.

Turn and repeat the above process on other side of the white strip. Press block and trim on back side of block to the 10" muslin backing.
