

Whirlpool Block

12'' finished/12½'' unfinished

Fabric Requirements: For the spinner use two shades of any color

Background: White on White

1A -- 6--4'' squares

Green Color:

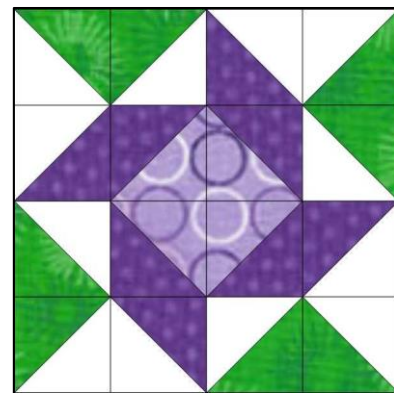

2A -- 4--4'' squares

Dk. Spinner Color:

3A -- 4--4'' squares

Lt. Center Color

4A -- 2--4'' squares

Put a fabric 1A and 2A square right sides together. Draw a diagonal line on the back of the lighter fabric. Sew $\frac{1}{4}$ '' from each side of the line. Cut on the drawn line and press half to one side and half to the other fabric. Repeat to make 8 of these units. Use the same directions with 2 of the 1A squares and 2 of the 3A squares. You will have 4 half square units. Take the remaining two 3A squares and two 4A squares and make 4 center half square triangles. Press half of these to the dark side and half to the light side. Trim all half square units to $3\frac{1}{2}$ ''.

Sew all the pieces together as in the picture above.
