

## Water Bottle Holder

Cut 8 ½" square from main fabric, lining fabric and batting.

Place right sides of main and lining fabrics together with batting on top.

Sew ¼" on all 4 sides leaving 3"-4" opening to turn right side out.

Turn right side out and stitch close to edge on all 4 sides.

Mark 1 ¾" from right corner on each side.

Mark another mark 1 ½" down in center.

Draw a line between the two marks.

On each side:

Fold in half with right sides together.

Push on fold to mark triangle.

Fold on line so triangle is flat.

Sew at the center of the triangle

close to the folded line.

Fold the triangle in half so you can  
see the line previously drawn and  
sew on that line.

(opened up after sewn)

Turn right side out and iron the flaps down.
