

Strawberry Cake

Linda Barbin

1 pk. white cake mix
3 Tbsp flour
1 package of strawberry Jello(dry)

Mix together

3/4 cup oil

1/2 cup water

Mix with above ingredients

Thaw 1 10oz frozen strawberries, save 3 to 4 Tbsp of juice

Add berries to cake mixture.

Fold in 4 stiffly beaten egg whites

Bake in ungreased 9x13 pan for one hour at 300 degrees

To the saved juice add enough powdered sugar to make a rather thin frosting.

Spread over cake while still warm. Do not remove cake from pan.

Raspberry variation

Use raspberries and raspberry Jello
